Easily secure the BuckCarrier™ to a body belt with a bolt or zip tie (zip tie included).

Lightweight Aluminum

Weighs only 2.4 oz., with durable construction and has a WLL of 15 lbs.

Compact Design

Makes it nearly impossible to get caught on limbs and branches.

BuckCarrier™ Chainsaw Carrier

2402B

The BuckCarrier™ is a light-weight (2.4 oz.) aluminum carrier designed to store your chainsaw on your saddle. At 4 ½" tall, ¾" wide, and 1 ¾" long, it is the lowest profile chainsaw hook on the market and its compact design makes it nearly impossible to get caught on limbs and branches like other chainsaw carriers. The BuckCarrier™ fits most popular saddles currently on the market. Working Load Limit (WLL) is 15 lbs. The BuckCarrier™ comes shipped with a zip tie to further secure to your saddle.

Fits most popular saddles currently on the market.
